

CAM2005 Conference Schedule Overview

Friday AM

Registration (with refreshments)

Welcome by Dr. Amy Flatten, APS Director of International Affairs and
Dr. Daniel Arovas, UCSD Department of Physics & Astronomy

Plenary Sessions: Biophysics and Atomic/Molecular/Optical Physics
Dr. Raymond Goldstein, University of Arizona Department of Physics
Dr. Carmen Cisneros, Facultad de Ciencias, UNAM

Coffee Break

Parallel Sessions: Biophysics and Atomic/Molecular/Optical Physics

Friday PM

Lunch

Education Plenary Sessions
Dr. Noah Finkelstein, Department of Physics, University of Colorado at Boulder
Dr. Robert Thompson, Department of Physics & Astronomy, University of Calgary
Dr. Arturo Menchaca-Rocha, Instituto de Física, UNAM

Coffee Break

Education Roundtable Discussion with Education Plenary Speakers

Interdisciplinary Physics Plenary Session
Dr. Arturo Menchaca-Rocha, Instituto de Física, UNAM

Saturday AM

Plenary Session: Nuclear/Particle Physics
Dr. Bonnie Fleming, Department of Physics, Yale University

Parallel Sessions: Nuclear/Particle Physics and Theoretical Physics

Coffee Break

Special Plenary Session: The Intersection of Research and Education
Dr. Robert Dynes, President of the University of California

Poster Session

Saturday PM

Lunch

Poster Session (continued)

Plenary Session: Astrophysics

Dr. Michael Turner, Assistant Director of Mathematical and Physical Sciences, NSF

Coffee Break

Parallel Sessions: Astrophysics and Condensed Matter

Conference Banquet and Harbor Cruise

Sunday AM

Plenary Session: Professional Ethics

Dr. Kate Kirby, Director of ITAMP, Harvard University

Professional Ethics Roundtable Discussion with Plenary Speaker and Additional Panelists

Coffee Break

Plenary Session: Career Options for Physicists

Dr. Matt Anderson, Department of Physics & Astronomy, San Diego State University

Dr. Michael Turner, Assistant Director of Mathematical and Physical Sciences, NSF

Dr. Anthony Smart, Consultant and Specialist in Optical Instrumentation

Dr. Thomas Tierney, Los Alamos National Laboratory

Career Options for Physicists Roundtable Discussion with Plenary Speakers and Additional Panelists

Sunday PM

Career Fair (with refreshments)

Sightseeing trip to Coronado Island (optional)
